(on behalf of the exhibitor)

## Notice

Taking water from the sewers or existing connections and passing it on to neighboring stands is not permitted and will result in the complete connection being shut off. No liability is accepted for water failure, breakage of pipes and consequent soiling of the stand, or failure of rental equipment. The stand owner is requested to insure himself against accidental damage. All materials installed are rental items and remain the property of Pröpper. A cleaning fee of €100 will be charged for soiled rental equipment.

**Please note:** Please send a stand sketch with the desired position of the connections with your order. Orders and changes received after the return date will be invoiced with a surcharge of 25%. **Each water connection requires a water outlet.**

## Please check the required connections or enter the number:

- Water main connection 1/2"**  
with device connection by Pröpper **341 €**
- Water main connection 1/2"**  
without device connection (connection work  
by own stand builder) **240 €**
- Additional connection 1/2"**  
up to max. 1m from main connection possible  
(only possible in conjunction with main water  
connection) **125 €**

- Water drain 1"**  
with appliance connection up to a maximum  
of 15m (connection work by Pröpper) **115 €**
- Water drain 1"**  
without device connection up to a  
maximum of 15m  
(connection work by own stand builder) **92 €**

The prices above include rental, installation and dismantling. The General Conditions of Participation and Terms and Conditions of Sanopact GmbH apply. Prices are exclusive of VAT.
