Press Release

April 30th, 2019

EXPOLIFE: Fair date 2021 is fixed

Intensive discussions, exchanges on an equal footing as well as new and promising contacts – the EXPOLIFE 2019 trade fair in Kassel was a great success with 11 per cent increase in visitors and an enlarged exhibition area of 17,500 sqm in five exhibition halls. The initiators and organizers are all the more pleased to announce the date for the upcoming EXPOLIFE: From 18th to 20th March 2021, the gates of the Kassel fairgrounds will open again for the international trade fair for specialist stores providing medical supplies, rehabilitation orthopaedic technology and orthopaedic shoe technology and its visitors. Due to a diversified supporting program as well as a comprehensive exhibition portfolio representing all well-known manufacturers, service providers and suppliers from Germany and abroad, the EXPOLIFE has become an important event for the health care industry. The EXPOLIFE International takes place every two years and is aimed at all employees of specialist stores providing medical supplies, rehabilitation orthopaedic technology and orthopaedic shoe technology.

Veranstalter / Organisator:

The EXPOLIFE International is organized by AVR Agentur für Werbung und Produktion GmbH. More information about the trade fair at www.expolife.de or www.avr-messe.de.
